When I got the call to do a scene with Meggan, I jumped at the chance. She's such a cutie and a really good fuck. I freshened up and headed over to the house. When we met, it was lust at first sight. I just couldn't wait to get my tongue into her pussy. Then she's going to do the same to mine. I can't wait. It's one of the one things I actually look forward to during sex.

BLAIR-NTS-03

MAKING THE GRADE

My name is Danny and I'm a senior at an eastern university. I thought back a couple years and this little incident with Dr. Ryan immediately came to mind. Dr. Ryan worked for the University Hospital several blocks away from my dorm. I was in my second year in nursing school and accepted an internship with her. She came highly recommended and I discovered that she had a few students come back to work with her group after graduation.

So now it's Thursday morning, three weeks after I began working with her. I went to my last class and then off to the hospital as usual. She told me that I was going to be working on a special project with her for the next two weeks. She told me to report to her after my classes tomorrow and we would get started. We were to work in the laboratory trying different solutions in a chemical mixture that would isolate certain amino acids that we then could re-engineer into other compounds. I was excited to put my chemistry and lab skills to good use instead of just hearing and reading about them in the classroom.

I arrived at the hospital the next day and after flashing my badge, headed straight to the basement laboratories. There are two large well-equipped labs with two offices, four cubicles with computers, a small lounge area with a sofa and a couple of over-stuffed chairs and one unisex bathroom. When I got downstairs, on my way to my cubicle, I saw the doctor in the hallway walking towards her office. She was one step ahead of me, telling me to go to the lab and find a lab coat that fit and to meet her in her office in ten minutes to go over the project.

For a week, including weekends, she took me through the steps of isolating some of the organic elements and prepping others for their eventual combination. Dr. Ryan always smelled good, very feminine, but she was sure and confident in her knowledge and teaching style. This morning, she invited me into her office to review the last few days research. As she talked about the findings, I sensed her tone softening and she stumbled over a few words. I've never heard her misstate anything before today. She got up from her office chair and came around to me and stood behind me. She kissed the back of my neck as she massaged my shoulders and said "I know you'd enjoy it."

I was shocked, and used every bit of me to turn around and I got up to leave but she blocked the door. She said “I will only ask you once and then I won’t bring it up again. I’ve wanted this for a long time. I trust you and it seems like you trust me. So I’m going to ask you again.” She walked closer, staring me directly in the eyes and placing her right hand on my crotch. “Do you want this to stop?”

She reached and unzipped my pants and stuck her hand inside. She grabbed my turgid cock and to her shock, I pushed her hand away. I tried to walk away, but before I could take my first step, she dropped to her knees, pulled my cock out of my pants and placed her warm wet mouth on my cock. I suddenly realized I was about to enjoy it.

But next thing I know, my pants and underwear slid to the floor effortlessly. I opened my eyes and looked down. She had completely stripped me of my clothes from the waist down. All I had on was my t-shirt. She was already making me moan and soon she opened her lab coat to reveal a form-fitting red teddy underneath. She went back down on me and looked back up at me with my dick half way in her mouth. I was enjoying this so much that I took my shirt off. She smiled up at me but even though she was stroking my cock with her hands and mouth – I wanted more. So I pushed my cock further into her mouth.

While holding her shoulders I pushed her into my chair. Her grip on my cock had gotten tighter not to lose my dick which was buried inside her throat. My confidence rose to the point where I started face-fucking her. I grabbed her hair and went full force. Her smile grew bigger and she gagged as she swallowed all my cock down her throat. Never in my life had I face-fucked anyone before, it felt like her mouth was made to suck my cock.

Dr. Ryan got off her knees and told me to sit on her desk. Immediately she went back at it. My body started to tighten up and she knew I was ready to cum. She stopped and said “No, not yet.” so she reached up and took my head closer to hers and kissed my lips with such passion it made me melt right there on her desk. Then she said, “Now you may cum, and don’t hold back. I want it all in my mouth, right now.” I smiled as she went back to deep throating me, wanting me to touch the back of her throat with the head of my cock. She buried her face into my forest of pubic hair while placing my legs over her shoulders.

“Now you may cum, and don’t hold back. I want it all in my mouth, right now.”

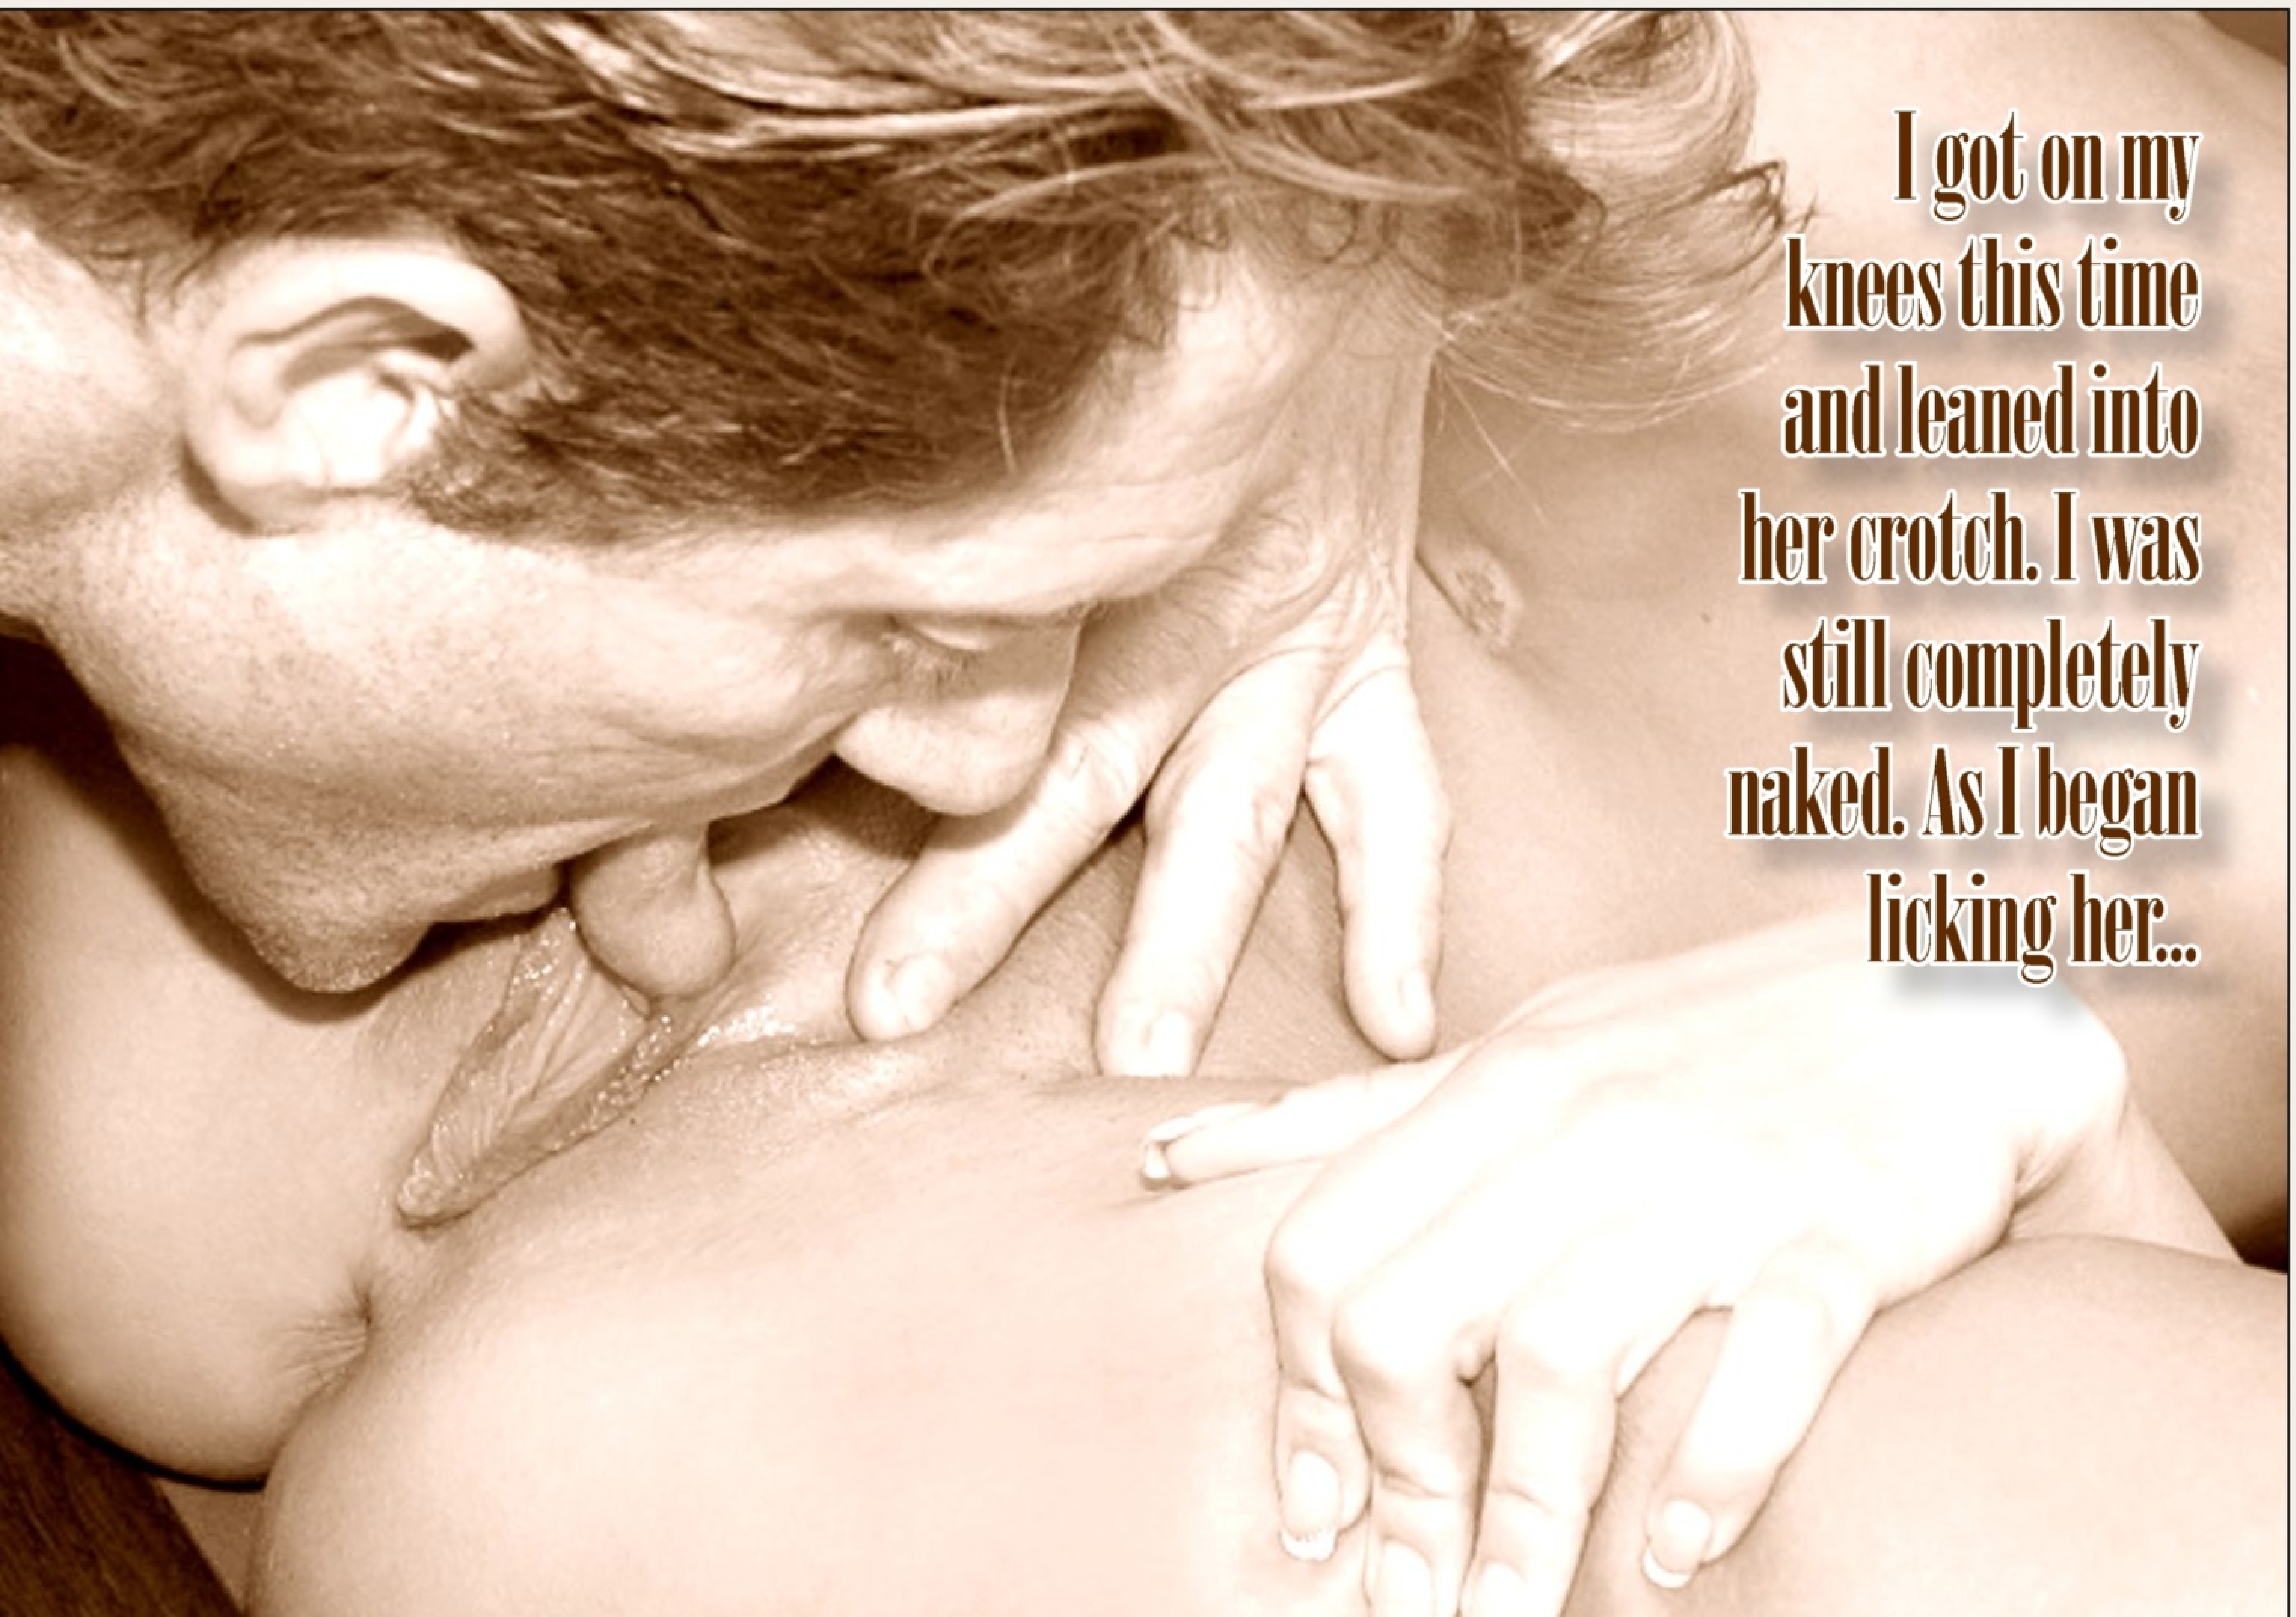
She lifted her face from my pubic area to give my balls some attention. She tried to stick both of them into her mouth at the same time and it felt as if she had given me the best gift of all. Then she removed them and went straight for my hole. I was in shock that she did that, but it was the best. Without entering my hole, she licked all around it and over it. Without any notice she spit right into my hole and that made me jump. I arched my back, tilted my head back and gripped her hair and quietly said "Don't stop, don't stop."

Five minutes after she stopped me from cumming the first time, she stopped and said "I never had anyone last this long." She laughed and said "Now we're going to see about that." and with that, she put my legs back on her shoulders and stuck her face between my cock and balls. I felt tiny bites and nibbles as he worked that area. Then, my cock went back into her mouth. She started sucking faster and faster. I was ready to give her as much cum as she wanted. I stiffened up and cock filled her mouth – and it happened.

I exploded with cum going down her beautiful throat. I became a fountain of ever streaming ropes of cum. It felt as if I was never going to stop. I gripped her hair with one hand and the edge of the desk with the other while I was still enjoying her bobbing up and down.

A short while later I was done – exhausted and satisfied to no end. She backed off and my feet hit the floor, but I couldn't stand so I just slowly fell to the floor. She sat in the chair in front of me and unsnapped the teddy between her legs. Her pussy glistened in the office lights. She leaned forward and gave me another passionate kiss as if I had done her the biggest favor on earth. Then she said "Your turn, dear intern." I looked at her shaved pussy in front of me and reached out to gently stroke it. I got on my knees this time and leaned into her crotch. I was still completely naked. As I began licking her, she said "Can I be serious?" I nodded and looked directly into her eyes. She said "I wanted you every since you started here, and I hope this doesn't stop anytime soon."

Still catching my breath from that whirlwind she took me through I said "If this doesn't affect my grade one way or the other, then I'd love to continue." And with that I buried my tongue as far as it would go into her pussy. Minutes later she was bucking in the chair as I finished her off.



I got on my knees this time and leaned into her crotch. I was still completely naked. As I began licking her...

big and veiny just for me

I like baking cookies, grilling burgers, putting mini-marshmallows on my hot chocolate, argyle socks, changing my nephew's diaper, painting my toenails pink and updating my social online status every day. I also like to suck a big cock, finger-fuck my pussy, tie down my partner on the bed, and I'd like to get my pussy fucked by you.

piper & kelsey

Hi – It's Piper here. And I'm about to get schooled by Kelsey. I understand that she's a great teacher and there's little I won't do to learn a life's lesson. Today, I think she has put the books away and is going to give me some home schooling in biology. Fortunately for me I know a little but she's promised to show me more!

I'm deliciously bad and I love to be fucked. I want you to part my pussy lips and put your warm wet tongue on my clit. Then I want you to slowly push it into my pussy. Then I want you to close your lips around my clit and suck it hard until I cum. I want you to do the things my ex-boyfriend couldn't do. Can you do that for me. I'd show you how appreciative I can be.

patio players

Most guys will agree, when you are 21 years old your hormones rage and you want to fuck everything in sight. When you're young, dumb, and full of cum, your small head has a way of making you throw out the normal thought processes. Things like eating right, getting to work on time, brushing your teeth regularly, even cutting your toenails. Jeremy and I grew up together and we did adolescent, and then young man things.

I remember one time when I visited him and his neighbor was out in her yard. I'd look at her, not as Jeremy's neighbor lady, but as one hot MILF. Two years ago I did not know that term, now, every lady older than me is a MILF, and it's tough because they're all over the place. Jeremy was now living back home and I go over to hang out – and eat their food. Even though I don't have a key to their house, I do have an open invitation to stop by whenever I want. Which is what I did this time.

Entering the side door, I walk into the kitchen calling Jeremy's name, but no answer. I walk into the house and through to the living room. Out of the corner of my eye, I see some movement through the double patio doors and head over there. No Jeremy, but his neighbor was by the edge her pool wearing a very skimpy red bikini bent over and rubbing sun tan lotion all over her long legs. For her age, she was in great shape because after the divorce she got a personal trainer to get into better shape to "find herself a man" he told me. Jeremy thought she was boffing her trainer but booted him after seeing him cozy up to another guy at a restaurant.

She had a great ass, especially for a 30 year old woman. Her body gleamed in the sun from all the oil on it. However, I decided to turn and quietly leave and take my fantasy with me when I bumped a chair near the door. "Is that you Jeremy?" I heard her ask from outside. "No, it's Erik." I answered. "Oh hi, Erik. Jeremy went across town to pick up some things for me and suggested I just chill here at the pool." she said. "Oh, okay." I answered. Then she says, "Erik, would you be a dear and bring me my iced tea. I left it on the kitchen counter." "Right away." I say and run to the kitchen to get it and run back even faster to the patio doors.

I opened the door and go outside to find her still rubbing her body with lotion. "Put it there, dear." she said pointing to the table beside her lounger. She sat down straddling the chair backwards and undid the tie strap of her bikini top letting it drop to her lap. "Erik, are you in a rush?" she asks. "No, not really." I respond. "Then would you mind oiling up my back where I can't reach." "Sure." I say – at a loss for words as she's now topless before me.

I put some lotion in my hands and then onto her shoulder blades. She jerks her shoulders and says, "That's cold. Don't you know that you're supposed to rub your hands together to warm it up?" she semi-scolds me. "No, I didn't know

that." I manage to get that out. I spurt the next dollop of lotion in my hands and warm it up as instructed. She scoots forward in the chair and leans her arms on the back of it, making some room for me to sit. I rub the lotion onto her back with firm circular strokes and I sense little moans coming from her. Then a soft "That feels so nice." I go back for another dollop, warm it up and massage it into her lower back, slipping a finger or two under her bikini bottom now and then.

"Oh that's great, Erik, would you do one more thing, please move my hair out of the way and do my neck." she says. As I put some more lotion in my hands, she lowers her head and shakes her hair. Man! Was that ever sexy, and I think she knew it. I massage some more lotion into her neck and shoulders when suddenly she swings a leg over the chair and turns to face me, sitting back in the pool lounger. I can't help but look as her bare breasts swing around and settle perfectly on her chest. Friction pulls her bikini bottom back a little, exposing about a half inch of the top of her closely cropped pubic hair. She glances briefly down there but doesn't say anything. "Erik, there's just one more place that needs lotion. Can you see it?" she says with a sly smile. Meekly, I point to her chest. "Would you mind?" she asks taking the lotion bottle from the table and hands it to me.

My boner is pushing hard against my board shorts and she spots it. I put some lotion in my hands and warm it up. I extend my hands to lotion her chest but don't know where to put them. I finally settle on her upper chest above her breasts and mustering the courage it takes, lower my hands and massage the oil into her firm breasts. After a minute, she opens her eyes and focuses on my woody. I put my hands there to kinda hide it but she takes it away, puts it back on her breast and says "Erik, that's nothing to be embarrassed about. It's actually kinda flattering. Did you shower today?" she adds after a pause catching me by surprise. "Yes I did. Why?" I ask. "Because I like my men clean." she says. She slides her hand up my leg grabbing what she was seeking. I moan at her touch as she says "Erik, you're very hard... and big." Which I definitely was.

She flicks her hand at my shorts, motioning me to stand up and take them off. I take a step over to her and she sits up and takes my cock in her oily hands. Stroking it with one hand, she slides the other under me to my balls and pulls at them. Working my cock and balls with her hands, she slips a finger under me and between my ass cheeks finding my butthole. I jump and she looks up at me smiling. She pulls that hand away and moves it around my hips to pull me closer and into her mouth. She swings both legs over the side of the chair, opens them and pulls me between. Perfect position for the tremendous blow job I hope I'm hoping to get.

As she's working my cock with her mouth, both her hands are behind me massaging my ass cheeks, and again she works a slippery finger towards my butt hole. I didn't pull back this time but something about that made me even hotter. Thoughts ran through my mind about running my tongue up her asshole into her dripping pussy

As she's working my cock with her mouth, both her hands are behind me massaging my ass cheeks...

and sensing the aroma of her sopping wet bush. Well, her finger entered my butt and at that same moment she took my whole cock in her mouth and yanked on my balls. That made me forget the sweet pain in my ass and by the time she backed her mouth off me, I kinda liked her finger there. Sensing that, she turned my hips so my ass was in her face and she started licking my asshole. No woman had done that before and it felt amazing. Reaching under me, she pulled at my rock hard cock and pushed me to bend over. She worked my cock until I let out a moan and started to cum, but then squeezed the base of my cock and stopped it.

Apparently, now it was her turn as she got on her hands and knees on the lounger and offered her butt up to me. I went behind her and dropped to my knees and started licking her from behind. I hadn't licked butt before, so this was going to be my first time. I plunge my tongue into her pucker and lick furiously. She looked back at me and said with some sternness, "Put your cock in there." I didn't need to be told twice. I greased up her ass cheeks and her crack and slowly inserted my trouser rocket into her rear port. She yelped a little from my size, but quickly began moving back and forth to get my cock as deep into her ass as possible. I grabbed her full hips and pulled and pushed at them with a rhythm that went on for minutes. Just as I was about to cum, she reached back between her legs and shoved her finger into my ass and I exploded in her anal cavity like a volcano. I felt her sphincter tighten with her orgasm that milked every drop out of me as she thrust her finger in and out of my butt. My legs gave out and the two of us dropped onto the lounger with me still in her ass. We lay there for a minute and she looks back at me and says to go get the garden hose so we can clean off. I bring it back to the chair where she takes it and sprays right on my cock and then her ass crack. She wipes us both clean with the beach towel and looks at me and says, "Ready to go again? Erik, my pussy needs stuffing and you're going to do it, so you gotta hurry before Jeremy gets back." She grabs my semi-erect cock and deftly brings it back to life with her hands and tongue as I straddle her in the chair.

This time, I though, I take command, so I threw the towel on the ground, gently pushed her back on the lounger and dove into her crotch. I parted her pussy lips and began tonguing her clit. She pulls my head deeper into her and I oblige by shoving and gyrating my tongue in her slit. She arches her back and I slip both my arms under her and slide up so my cock is at the entrance to her sex. With one swift thrust I'm in and she shudders at my size. I'm pumping in and out pushing hard against her mound. She's scratching my back and screaming softly to do her harder. She buckles under me like a wild horse pulling my ass closer into her as she begins to climax again. I force one hand between us and rub her clit and she screams loud enough to fill the back yard and the neighborhood. I pull out and shoot another large load onto her chest and she rubs it in with the sun tan lotion. Finished, we both jump in and splash around like kids. Jeremy shows up an hour later but we have cleaned up and sitting in the kitchen waiting for him and her goodies.

I hadn't licked butt before, so this was going to be my first time. I plunge my tongue into her pucker and lick furiously.

I really hate being alone

brooke

Yes, I'll say it. I get lonely when my boyfriend isn't around. He's a lot of fun and likes playing games. His libido never runs dry. I know he still finds me attractive but when he spends so much time on the road, I get lonely. So when I need my pussy fucked, I just turn on my new friend, Diddly, for a buzzing booty call.

kelly

I think my bra is too tight, and my panties, too. Whew, now that they're pulled off completely, I can get down to business. Dirty business. The business of sucking your pole. And your balls. I don't like the missionary position, but any other one will do just fine. Is there one you haven't tried? I love it when my juices mix with my man's. It's kinda like lemon and lime, rum and coke, peanut butter and jelly. It's a mix that is mouth-watering.

I need down and dirty sex, now!
